MONTĀŽAS INSTRUKCIJA

Piezīmes un brīdinājumi - rūpīgi izlasiet instrukciju pirms montāžas

Katru mēbeles daļu nepieciešams salikt uz līdzenas virsmas.

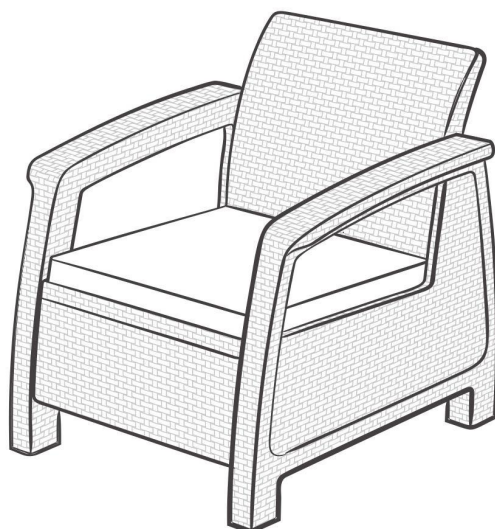

Komplektā ir papildus montāžas atslēgas.

Iesakām tīrīt mēbeles ar ziepēm, ūdeni un mīkstu drānu.

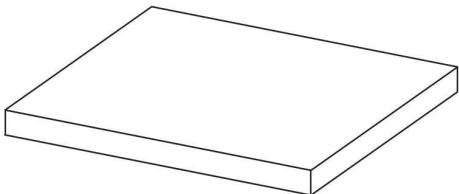

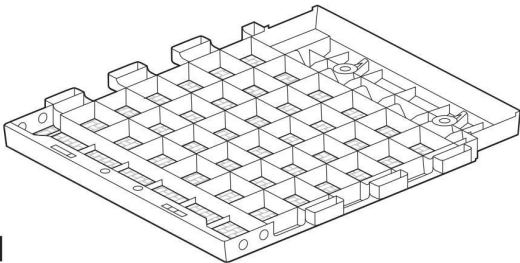

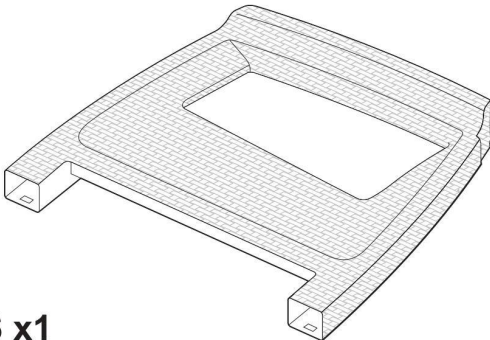

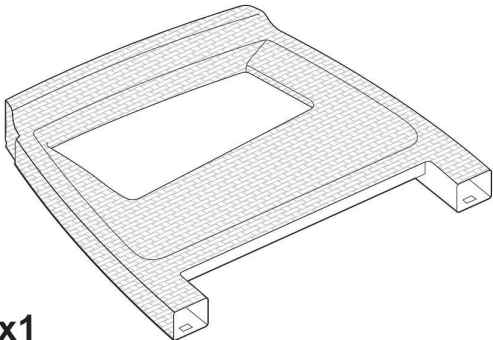

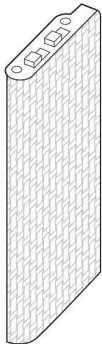

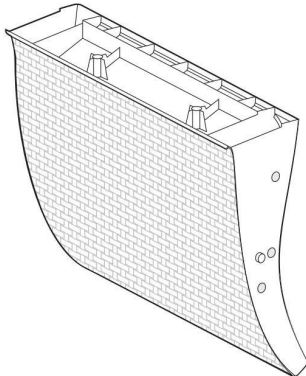

Mēbeles ir paredzētas racionālai mājas lietošanai.

Papildus atslēgu iesakām saglabāt turpmākai lietošanai.

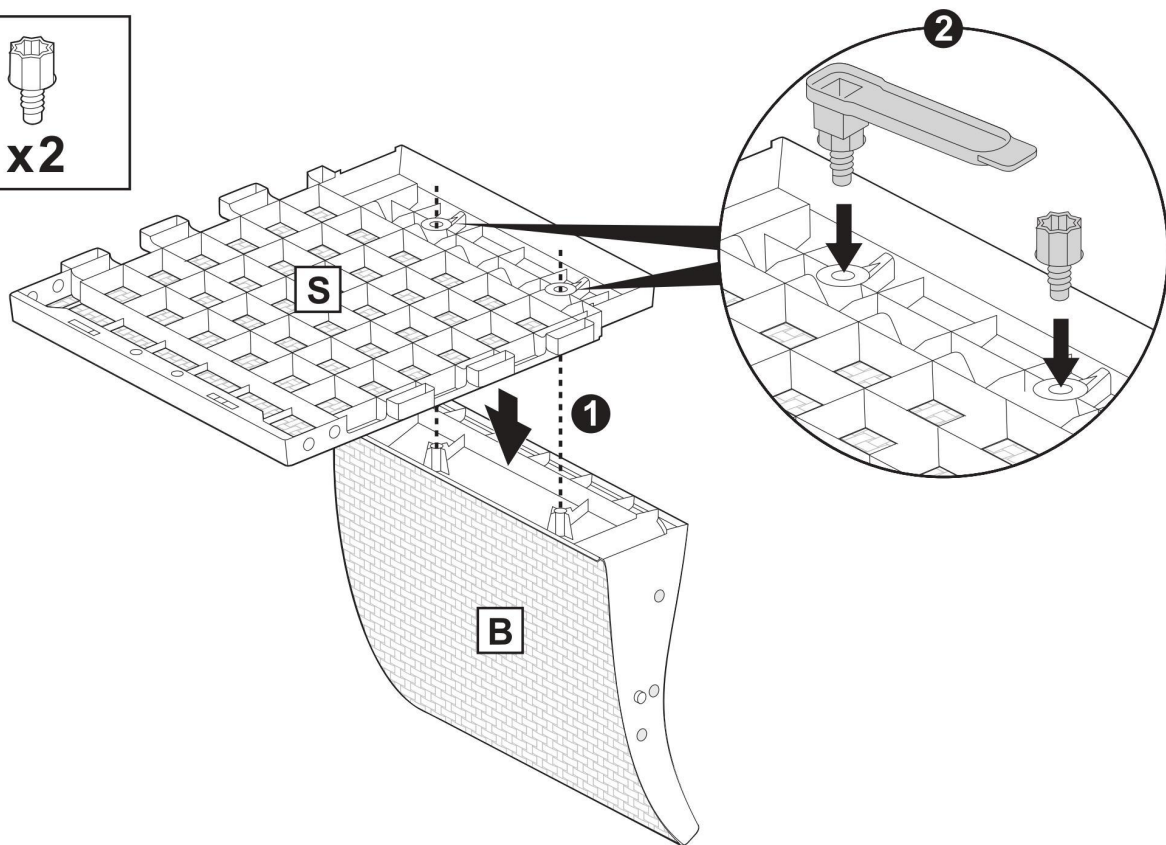

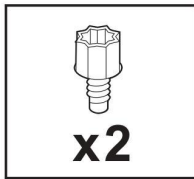

Ieteicams salikt skūves ar rokām, pēc salikšanas tos savilkt ar speciālu atslēgu.
